to every thing there is a season,
 and a time to every purpose under the heaven:
 a time to be born, and a time to die; a time to plant,
 and a time to pluck up that which is planted;
 a time to kill, and a time to heal; a time to break down,
 and a time to build up;
 a time to weep, and a time to laugh; a time to mourn,
 and a time to dance;
 a time to cast away stones, and a time to gather
 stones together; a time to embrace,
 and a time to refrain from embracing;
 a time to get, and a time to lose; a time to keep,
 and a time to cast away;
 a time to rend, and a time to sew; a time to keep silence,
 and a time to speak;
 a time to love, and a time to hate; a time of war,
 and a time of peace.

Candyland was the name of our fomal dance, May 5, 1972. The cafetorium was decorated by the students in flamboyant colours with streamers and balloons. Candy-canes, gingerbread men, jack-in-the-boxes, stuffed animals and lollypop trees created the mood.

Nancy Field was crowned our school queen. Nancy, a very attractive girl was also a hard worker in N.L.S.S. She has been on the basketball and volleyball teams, and she edited Aurea Vincula '71. She served actively on the Student Affairs Council and was president last year. At commencement she was valedictorian of her graduating class.

The princesses, Becky Brandon, Karen Dodds, Diane Kelly and Terry Spencer were active in the N.L.S.S. community and deserving of their positions.

'72 addition officially opened

In 1972 the 4th addition was completed at North Lambton Secondary School. It consists of six classrooms, two Science Rooms, Gymnasium and Cafeteria-Auditorium. Following much renovation we also have a new Library and a Music Room. The Official Opening took place on November 30, 1972 with The Honourable Thomas L. Wells, Minister of Education to unveil the plaque. Our cafeteria-auditorium was named Fraleigh Hall in honour of Mr. Sidney A. Fraleigh, Sr. who has served actively for education in this area during the past several years.

Winter Week ran from February 19th to the 25th this year. The theme, N*O*S*E*, was copied from the popular movie and television series M*A*S*H*, (Mobile Army Surgical Hospital.)

On Monday morning of Winter Week the Student Affairs Council held an assembly to acquaint students with the upcoming activities. Wednesday was Dress-up Day. The halls of North Lambton were crowded with doctors, nurses, wounded soldiers, prisoners of war, and imaginative germs. The Athletic Associations hosted Sports Nite on Thursday. The entire school was divided into teams: Trappers, Radars, Blakes, Hoolahans, Hawkeyes, and the teachers were Speerchuckers. The evening's events were: blind volleyball, floor hockey, all-star wrestling, crab soccer and dodge ball. The keen competition continued Friday with the chicken stitch race, groaning contest, balloon toss and bandaging contest. Each team showed dramatic ability on Friday night at the Variety Show with hilarious skits. Points were awarded to the best skit, and again this year the teachers won. Games of chance were played between skits and the evening ended with a sing-song. Saturday morning saw students involved in touch football on the back campus. Lunch was provided by the Year Five students. Spirit was shown on Saturday afternoon in the stretcher race, tug-of-war, snowshoe race and crutch race. A dance with "FLUDD" was held on Saturday night. The I.S.C.F. was in charge of a Sunday morning service. Guest speakers were Ron and Diane Susak.

School Spirit was high and the competition during the week was strong. The Trappers were the over-all winners. A new feature this year was the School Spirit Award, given to the student who participated in the most activities. Earl Chaffe won the trophy which will now become an annual award.

Student Affairs Council Executive: Mr. Shafer, Lorraine Carson, Secretary: Jerry Beernink, Social Convenor: Dianna Clark, Vice-President: Bill Prout, President: Ruth Ann Haist, Business Manager: Mr. O'Donnell.

president's message

Increasingly the Student Affairs Council is becoming a decision-making and administrative organization providing the vital efficiency and skill demanded of a student governmental body. This is achieved through the use of committees which investigate problems, recommend solutions, and create proposals for consideration and action by the representatives of the Student Affairs Council.

This year extra-curricular activities have been expanded and promoted by the various clubs within the school and were funded by the Student Affairs Council. Hopefully, this policy will be continued in the future.

During the past year, the Student Affairs Council has continued to provide an active program of social activities which included some innovations in an attempt to satisfy the changing desires of the students. In this regard, the latest addition to the school has provided the facilities to enliven activities and student participation.

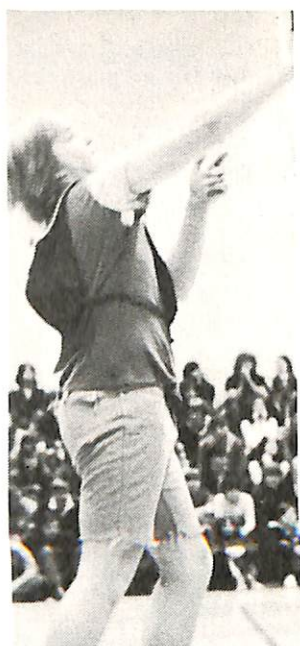

The Student Affairs Council would like to thank all of the students and staff, who by their whole-hearted support and enthusiasm, have made North Lambton a school to be proud of.

more opportunities for n.i.s.s. students

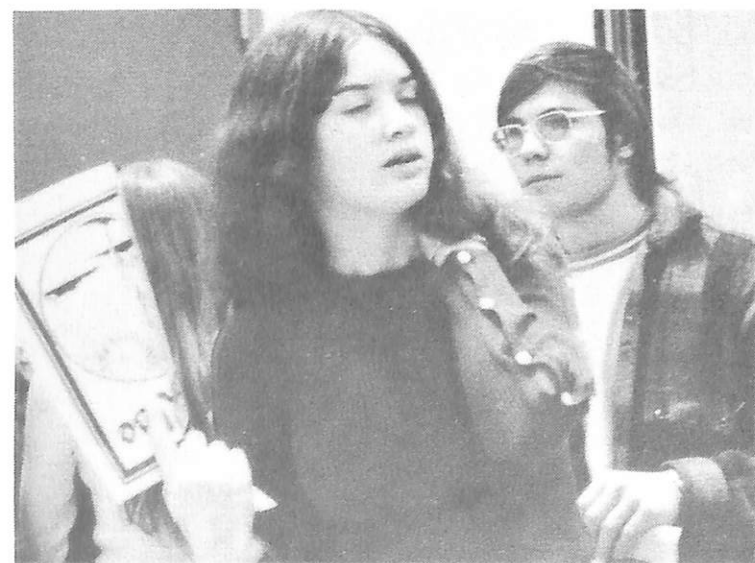

The main purpose of the I.S.C.F., is to promote God's plan of salvation, through Jesus Christ, to the student body. Their meetings provide an opportunity for Christian Fellowship, prayer and bible study. The I.S.C.F. meets each morning prior to the opening exercises, in the old staff dining room.

The committee is composed of five members: Darlene Ward (president), Connie Hamacher (vice-president), Ruth Campbell (secretary), and Marilyn Bell (treasurer).

The I.S.C.F. has played an active part in the school and community, so far this year. A float was entered in the Forest Fair and won first place. The I.S. C.F. group held an assembly for the special guest speaker, Terry Sheppard of the Jesus Movement. The group also has Hallowe'en and Christmas parties.

The 1972-73 school year has been one of achievement for the Student Affairs Council. Students have learned how to accept responsibility and to realize the implications of all their actions. Our Spirit—Week in the fall and the Winter Week-end were 100% student-managed activities and most successful.

We hope that "Aurea Vincula" will be even better than last year when it was outstanding in the province.

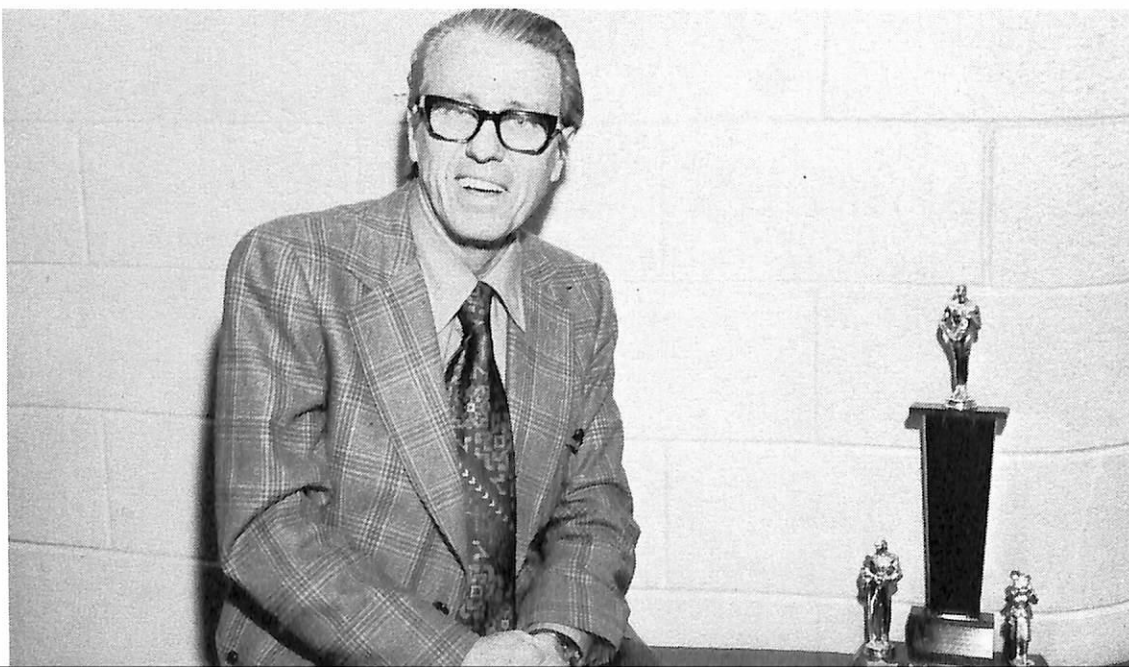

May I wish the Student Affairs Council and the class representatives continued success, and to each student in the years ahead, success in learning, good health, and enjoyment in all your endeavours.

editorial

This year Aurea Vincula is put together in chronological order, and the theme "the changing seasons" is carried throughout the book. More photographs, both formal and candid, are used than ever before. Each photo in the yearbook is identified. Advertising, as it was in previous years, was abolished and only a list of sponsors is published. The yearbook grew from standard size to university size this year, but in order to budget funds, fewer pages are used. I hope that all these changes have made our Aurea Vincula an even better annual, and that it serves its purpose of recalling high school memories well. I trust that my successors will learn from my mistakes and profit from my improvements in years to come.

Many people helped to produce Aurea Vincula '73. I'd like to thank the yearbook staff who tolerated my bursts of energy and times of despair. Lyn Webster and Irene Latam deserve special mention for their constant support. I'd also like to thank all the various students who helped with their typing skills. The Marketing Class and the Student Affairs Council are to be commended for their financial support, and, of course, thanks to Mr. Godbolt, Mrs. Dobson, Mr. Sturdy, and Mr. Newell, our staff advisors.

Although Aurea Vincula '73 took much time to prepare and many hours of work, I feel that the experience gained and the lessons learned from it will be invaluable. I enjoyed being editor of our yearbook, and in particular I like meeting people and making new friends which is an added bonus with this work. I have come to know more students and faculty members this year than in my previous three years of high-school life. Along with my work as editor went the annual trip to Canada Yearbook Services Summer Workshop. This year it was held at the University of Waterloo. I had a good time and met many fellow editors with whom I exchanged ideas and from whom I learned much.

I hope that '72-'73 was a special year to each student at N.L.S.S., and that every copy of Aurea Vincula '73 means something extra to its owner.

Mary Blewett
